Dear Elke,

My visit of Canada is nearly finished. Tomorrow I'll fly back to Prague. Now I have a little bit of time and I decided to write you a few words. First of all I would like to thank you and all your Christ Lutheran congregation for your very kind receiving. It was really a pleasure for me to preach you a Gospel of Jesus Christ and also to meet very able people. I was very happy to see so many children, as well. I think your congregation is a big mission field, where you can reach numbers of people for Christ.. I will pray for that.

Please greet all people whom I met in your Church - Jim, Marcia, Ann etc.

I also attached some pictures. I will send it in the other e-mails.

God bless you

Yours in Christ

Rev. Dusan
